## Administrative Field Length Restrictions

Fields in the administrator records have the following character length restrictions:

Title.....	35
Rank.....	3
MPC.....	3
Prefix.....	6
First.....	20
M.I.....	1
Last.....	25
Suffix.....	10
Phone.....	10
Ext.....	10
Fax.....	10
Email.....	60

Please use abbreviations as necessary.

## Detailed Instructions for Updating Administrator Records

1. Title - The person's official administrative title. Only 35 characters are available for this field so please abbreviate when necessary. There is a character counter to the immediate right of the listing to assist you with the abbreviations.
2. Rank - Rank is the sort order in which the administrators appear in the *Higher Education Directory*<sup>®</sup>. If the appropriate rank sequence of a new or changing position falls between two existing positions, for example, between 030 and 040, then add 001 to 030 to determine the new rank number of 031. If two or more positions go between the same numbers, the two new sequence numbers would be 031 and 032. If a position is to be moved to the end of the list, use the highest value existing Rank +10.
3. MPC (or Job Classification Codes) - A Manpower Code (MPC) is a numeric designation of a job classification within an institution. The numbers are not meant to indicate any sort of hierarchy. See page 13 for a complete list of MPCs and descriptions. If a code for a key administrator is not listed on page 13, use an 88 for each entry that does not have a code.  
**Note:** If possible, please list one person for each manpower code. If a person performs more than one function, then list him or her only once in the most important function. Also, please do not report department chairpersons. For reference, see listings on the following page.
4. Prefix - Administrator's preferred personal title. Since only 6 characters are available for this field, no punctuation is necessary at the end of the prefix. Please include gender-specific titles (Mr., Ms., and Mrs.) when applicable.
5. First - Administrator's preferred first name. If a person prefers to use their middle name as their given name, please include first initial and full middle name in this field (e.g. B. William, T. Susan, etc.)
6. M.I. - Administrator's middle initial.
7. Last - Administrator's last name.
8. Suffix - Administrator's generational, religious, or military suffix. Please exclude degree suffixes (e.g. Ph.D., J.D., M.D., etc.).
